This rider/trainer combo is off kilter right now - not a high winning percentage together. Didn't exhibit much intestinal fortitude during the stretch run last time - be cautious with her. Recently, this jock just doesn't seem to be able to buy a win.

This rider/trainer tandem has a favorable return on investment. Not wagering on this horse after the last attempt. Tough to play this mare today - handler on a down cycle of late.

Not making a wager on this one after the last attempt. Trainer James W Ferraro has this mare ready to roll. Good team. Lately, this rider and conditioner haven't been winning when they get together.

Hard to play this mare today - jock's win percentage as of late has been lackluster. Last affair doesn't inspire much faith.

This sire does well with 1st time starters - don't overlook that extremely important stat. Dam's foals have not produced the best results in this group of contenders with entries in their first contest (5 starts, 0% wins, -100% ROI). Angel Cruz has recorded very strong profits with first time starters (+126% ROI).

Eugene Reiff has not recorded strong returns with this colt. This rider is on a chilly streak. Finished in the back half of the field last time - not a great sign.

Hard to play any equine that cannot even score one time in his last ten races. Trainer Eduardo E Jones has not had much success with this gelding (53 starts, 2% wins). Joel Sone hasn't been on fire lately.

▲ Definitely a value play with such a good power rating - might payoff big. ⚡ The stretch try in the last race leaves much unanswered. 🐾 Difficult to figure this horse winning after finishing in the back of the pack last time.

Israel O Rodriguez should put some cash in your pocket with this animal and his power rating. Could be right there at the finish based on really strong results of the trainer (12 starts, 17% wins) with recent claims. This jock and handler's horses have been generating a favorable ROI.

⚠️This jockey/trainer combo is a bit cold right now - not a high winning percentage together. ⚠️Finished in the rear of the field last time - not a great sign. ⚠️May have to pass on this horse - handler hasn't had the best of luck lately.

Some formidable stats have been posted by this trainer's entries after they have been freshened. The form factor is somewhat in question after the addition of front bandages in the last clash. Tough to figure this horse winning after finishing near the rear last time.

This rider/handler pair has a lucrative return on investment. Tough to invest in this animal after the disappointing stretch run in the last affair.

Last race doesn't inspire much confidence. Tough to play this colt today - handler on a down cycle recently. Trainer Bruce R Brown has not had much success with this colt (6 starts, 0% wins).
